PROFILE

Recent MCA graduate and an aspiring Software Developer. I relish the feeling of transforming problems into efficient code and witnessing them come to life. Eager to learn and apply my technical skills to build elegant solutions.

TECHNICAL SKILLS

Programming Languages: Python, Java

Web Development: Flask, REST API, HTML, CSS, JavaScript

DBMS: MySQL

WORK EXPERIENCE

Risk Analyst Intern | BNP Paribas   Jan 2024 – July 2024

- Designed and implemented a UI, using Python Flask to streamline operational tasks previously executed using shell scripts on Linux servers, significantly reducing manual work and time.
- Automated several BAU tasks performed daily using Python scripts, significantly reducing the time required to complete these tasks.
- Resolved ServiceNow Incidents related to missing or inconsistent daily market data from feeders by collaborating with upstream data providers, conducting root cause analysis, and performing system adjustments.

EDUCATION

Master of Computer Applications | Sardar Patel Institute of Technology, Andheri   Nov 2022 – July 2024
- CGPA: 7.1

Bachelor of Arts | St John College of Humanities and Sciences, Palghar   June 2019 – June 2022
- CGPA: 8.3

PROJECTS

Mood-Journal Website | Python Flask   github.com/ZenDiary

- Developed 'ZenDiary' a comprehensive Flask-based web application that enables users to track and analyze their emotional well-being through daily mood journaling.
- Implemented SQLAlchemy ORM for data management, featuring user authentication with password hashing and profile management system.
- Implemented data analysis features using natural language processing (NLTK) to extract insights from journal entries, and created visualizations like word clouds and charts to track mood trends
- Developed automated features including scheduled email reporting system and dynamic content rendering for a responsive user experience.
- Tools Used: SQLAlchemy, MySQL, Jinja2, Flask-Login, Werkzeug Security, NLTK, Flask-Mail

CERTIFICATIONS & ACHIEVEMENTS

Programming in Java: NPTEL Certification in "Programming in Java" organized by IIT Kharagpur, Oct 2023.

AIR-106, MHT-MCA CET: Achieved 99.54 Percentile in MHT-MCA CET Entrance exam, Oct 2022.
